AURT200108A	Carry Out Servicing Operations	20
AURT270278A	Use and Maintain Workplace Tooling and Equipment	20
	<i>Total</i>	<i>113</i>

## Skills achieved in this qualification:

You will gain skills in using a range of tools & equipment to do maintenance and services on engines and vehicles. The qualification is hands on and practical. You will work on a variety of drive trains and associated equipment.

## Recognition of Prior Learning (RPL) and Credit Transfer (CT):

CAT recognises that some of you already have good technical and other skills and therefore may not have to re-learn something you already know. If this is the case, speak to your lecturer about applying for RPL. You can also apply for a Credit Transfer if you have completed all or part of a similar course

## Opportunities:

After completion of Certificate I students may continue their studies and complete Certificate II in Automotive or pursue some of the other Qualifications offered at CAT. Completion of Certificate I and Certificate II could lead to employment in the automotive industry. These Certificates are required to be completed for Automotive Traineeships.
