**Skills achieved in this qualification:**

You will gain skills in using a range of tools & equipment to do maintenance and services on engines and vehicles. The qualification is hands on and practical. You will work on a variety of drive trains and associated equipment.

**Recognition of Prior Learning (RPL) and Credit Transfer (CT):**

CAT recognises that some of you already have good technical and other skills and therefore may not have to re-learn something you already know. If this is the case, speak to your lecturer about applying for RPL. You can also apply for a Credit Transfer if you have completed all or part of a similar course

**Opportunities:**

Completion of Certificate I and Certificate II could lead to employment in the automotive industry. These Certificates are required to be completed for Automotive Traineeships.
